

ROVER AND RANGER UNIT

Like YRC and NSS there are two Rover and Ranger units one for boys and one for girls in the collage. The normal strength of each unit is 50 volunteers from +2 and +3 degree students.

Every year the unit conducts various training programmes by arranging camps by volunteers to fulfill the objects of Scouts & Guide. The unit organizes Blood donation camps in the college each year. Selected volunteers of the unit participate in SSG Camp, Zonal and interstate camps
